Behind every great change is a great human...
#StoriesOfAccenture

Voice Over:

Simula pa lang... things never looked that bright.
Kaya na master ko na ang mabuhay sa dilim.
Pati ang mga tao sa paligid ko, nasanay na rin.

"Kuya,iwan ka na lang namin dito, ha? 'Di ka namin pwede isama eh. "

"O, anak, aalis muna kami. Dito ka lang muna, ha? "

Pero kahit gaano pala ka haba ang gabi, sigurado, sisilip rin ang araw.
Ang ilaw na tumanglaw sa akin, ay itataas ko.
Para masinagan din ang iba.

Text on screen:

This is Alner. This is his story. He is a software analyst in Accenture who is blind.

He has achieved many things personally, as a writer and master's degree holder and as a technology professional with multiple honors.

With Accenture's inclusive culture, the assistive technologies and tools in the Accenture Accessibility Center, and the Disability Inclusion Champion's Network

Alner and his colleagues with disabilities are always supported to be their best selves and thrive.

At Accenture, a workplace that fosters inclusivity, diversity, and equality, everyone's future is bright.
