

ACCENTURE SUPPLIER INCLUSION & SUSTAINABILITY: BE THE CHAMPION

Video Transcript

Be the reason the best ideas win.

Be the one who invites smart minds to the table no matter what they look like whom they worship or how they love. Be the catalyst for faster growth.

Be the one who sees strategic value in diverse viewpoints and inclusive work forces then delivers a data driven plan to unlock it.

Be the champion of positive change.

Be the one who advocates for sustainable access and opportunity for all to benefit of communities and companies across the globe.

Accenture's award-winning global supplier inclusion and sustainability program relies on applied intelligence to influence and shape a more inclusive and responsible global supply chain. We stand ready to help others do the same.

Join us, be the one, be the difference.
