VOICE OVER	VISUALS
We live in a world in which difference is a crime.	
Categorising people into separate groups	
and levelling abuse at them	
has become the norm.	
It continues because it is accepted.	
The time has come to put a stop to this	
once and for all.	
There is no shame in one's race	
no shame in one's gender	
nationality, sexuality or faith.	
The world belongs to all of us	

and every one of us has a right to live in it	
without being made to suffer abuse	
because of who we are.	
At Accenture, we have a zero tolerance policy	
towards discrimination of any kind.	
We're proud of our inclusive culture	
and we're proud to take a stand.	
We invite you to stand with us	
Because when you do what's right	
you change the world.
