2 Introduction

Dear Supplier, thank you for providing goods or services to Accenture Israel. Accenture always aims to pay suppliers on time, within the payment terms that have been agreed, and will also follow local government regulations where applicable. This can only be achieved with the co-operation of our suppliers – please follow the guidelines outlined in this document to ensure that we can meet these targets.

2.1 Establishing and Maintaining Your Accenture Supplier Profile

- Please make sure the contact and payment information Accenture has on file is always current. If your mailing address, Purchase Order (PO) receipt email address, contact information, bank information, or phone numbers change, You have to go to your company profile on [Supplier Hub](#) and update your details. If you have not yet created your company profile in the supplier hub, or have any related questions, please contact to: esc.spain@accenture.com

2.2 Credit Terms

- Accenture's standard payment terms are **30 days from the end of month** after the date of issuance of a valid legal duly submitted VAT Invoice (Refer to 'Submitting Invoices', section 2.5), unless alternate payment terms have been agreed in writing with Accenture Procurement Plus.
- Invoice due dates mentioned on the invoice will **not** be taken into consideration whilst making the payments.

2.3 Preparing Invoices for Accenture

IMPORTANT: For local vendors, all invoices should be submitted in Hebrew (some exceptions apply, where authorized by the tax authorities).

Please include all of the following information on the invoice:

- Your full legal Name, Address, VAT Number and contact details of your finance team for us to communicate in case of any queries.
- Invoice number / applicable reference number, Invoice date, Tax Identification # (if relevant), Total amount to be paid, and detailed description of the goods or services that were delivered or rendered.
- E-mail address of the Accenture contact who requested the goods or services.
Note: *This employee will be asked to confirm receipt of the goods or service and verify the accuracy of the invoice before the payment can be released. This is essential if no PO number has been provided.*
- Accenture Purchase Order (PO) number **beginning with 60XXXXXXXX** on the invoices (where the goods & services are provided against a PO). **Note:** *Accenture will not be liable for late payment fees if a PO number has been provided to the supplier but not included on the invoice.*
- Your complete banking details (Sort code, Swift Code, Account #, IBAN, etc)

- Accenture VAT Number **(as detailed below):**
- Accenture Bill to Address (including Accenture Legal Entity and VAT number):

Accenture LTD 2 Hamenofim St. P.O.BOX 12026, HERTZELIYA VAT: 513111187	Maglan Information Defense Technologies Ltd./ Accenture 15 Atir Yeda St. -Kfar-Sava VAT: 513317776
--	--

- If you are issuing a credit note against a cancelled invoice, kindly quote the corresponding invoice reference against which the credit note is being issued; alternatively, please quote complete details for issuance of the credit note to enable us to account for it appropriately.

2.4 Special Instructions for Purchase Order (PO) Invoices

- Accenture require a Purchase Order (PO) for **all** purchases, regardless of value. Please request a PO# from the requestor and clearly quote this on the invoice to ensure you comply with this policy (some local exemptions may apply; the requestor will advise you if this is the case)
- Accenture’s official Purchase Orders will be sent via email notifications from Accenture’s procurement tool, Ariba Buyer, bearing the senders address: Accenture.Purc.Order@accenture.com. Please ensure you are able to receive emails from this address accordingly.
- If you are providing goods and services to Accenture under more than one PO, you must invoice for each PO separately. Only one PO can be referenced per invoice.
- The details and item-wise breakup on the invoice must match exactly with the description noted on the PO. (For example, the ‘Bill To’ address must match exactly that outlined in the PO). Always reference the appropriate PO line item number for each line item on the invoice.
- Please note that a Purchase Requisition Number (“PRXXXXX”) will **not** be accepted, please quote only a valid PO number (eg “60xxxxxxx”).
- Invoice value /quantity should **not** exceed the PO value/quantity. In case of any issues please contact your Accenture requestor to update the PO as required.

2.5 Submitting Invoices to Accenture

NOTE: The below instructions are intended for vendors who submit invoices manually, not using a specific tool (eg IQN, Ariba Network, SAP RE-FX etc).

- Suppliers are requested to issue all invoices on a timely basis – at the latest within 30 days after the month in which the associated goods or services were performed or in which such fees, costs, expenses or charges were incurred.
- Kindly submit all invoices within **5 business days** from the invoice date. Invoices received over 30 days after the invoice date – or where the invoice due date has already passed - will be rejected by Accenture, with a request to reissue with a new invoice date.

- A reconciliation exercise should be completed by the supplier on at least an annual basis to ensure there are no outstanding invoices unpaid.
- Failure to issue or submit invoices on a timely basis may result in payments being delayed. **In no event shall Accenture be liable for any fees, costs, expenses or other charges where invoices are not submitted accurately or in a timely manner.**
- Please send a soft copy of the invoice (s) directly to invoices.IM@accenture.com in a non-manipulative format eg. PDF, TIF.
- Please check with customer support team (see section 2.7) before re-submitting any invoices that were submitted earlier. **Invoices sent to personal mailboxes or directly to Accenture employees will be deemed as not received.**
- Please do **not** submit original invoices to the Accenture employee who requested the goods or services. If you need to send a copy of the invoice to your contact at their request, please clearly indicate on the invoice that it is a copy and has already been submitted to Payables. This will help to prevent duplication in our systems and prevent payment delays.
- If for any reason you are not able to email the invoices, invoices can be posted / delivered to the above mentioned 'Bill To' Address – **please do not send directly to your Accenture contact.**
