This can only be achieved with the co-operation of our suppliers – please follow the guidelines outlined in this document to ensure that we can meet these targets. We urge our suppliers to provide a timely invoice to Avanade in accordance with article L441-3 of the Commercial Code.

**NOTE: This guide is not applicable for suppliers using IQN, T-360 & LGI modes for invoicing Avanade.**

### 2.1 Establishing and Maintaining Your Avanade Supplier Profile

- Please make sure the contact and payment information Avanade has on file is always current. If your mailing address, Purchase Order (PO) receipt email address, contact information, bank information, or phone numbers change, please notify Avanade immediately by e-mailing [ap.france.support@accenture.com](mailto:ap.france.support@accenture.com).

### 2.2 Credit Terms

- Avanade's standard payment terms are **60 days** (30 days for Small and Medium Enterprises (SMEs) and diverse suppliers, 45 days for periodic invoices), from the date of issuance of a valid legal duly submitted VAT Invoice (Refer to 'Submitting Invoices', section 2.5), unless alternate payment terms have been agreed in writing with Avanade Procurement Plus.
- Invoice due dates mentioned on the invoice will not be taken into consideration whilst making the payments.

### 2.3 Preparing Invoices for Avanade

Please include all of the following information on the invoice which are not deemed to replace what is legally provided by the law in the VAT Code:

- Avanade Purchase Order (PO) number **beginning with 60XXXXXXXX** on the invoices (where the goods & services are provided against a PO). Note: Avanade will

not be liable for late payment fees if a PO number has been provided to the supplier but not included on the invoice.

- Your complete banking details (Sort code, Swift Code, Account #, IBAN, etc)
- Avanade Bill to Address (including Avanade Legal Entity):

**Avanade France SAS**

Comptabilité Fournisseurs  
RUE CAMILLE DESMOULINS 65,  
ISSY LES MOULINEAUX, France  
92130  
TVA: **FR02 432 610 426**

- If you are issuing a credit note against a cancelled invoice, kindly quote the corresponding invoice reference against which the credit note is being issued; alternatively, please quote complete details for issuance of the credit note to enable us to account for it appropriately.

#### **2.4 Special Instructions for Purchase Order (PO) Invoices**

- Avanade require a Purchase Order (PO) for **all** purchases (\$0 and over). Please request a PO# from the requestor and clearly quote this on the invoice to ensure you comply with this policy (some local exemptions may apply; the requestor will advise you if this is the case)
- If you are providing goods and services to Avnade under more than one PO, you must invoice for each PO separately. Only one PO can be referenced per invoice.
- The details and item-wise breakup on the invoice must match exactly with the description noted on the PO. (For example, the 'Bill To' address must match exactly that outlined in the PO). Always reference the appropriate PO line item number for each line item on the invoice.
- Please **note** that a Purchase Requisition Number ("PRXXXXX") will not be accepted, please quote only a valid PO number (eg "60xxxxxxx").
- Invoice value / quantity should **not** exceed the PO value/quantity. In case of any issues please contact your Avnade requestor to update the PO as required.

#### **2.5 Submitting Invoices to Avnade**

**NOTE: If you are a supplier who has accepted to invoice Avnade over the Ariba Network, the below guidelines do not apply - you will need to submit your invoices via the Network and not via email or post.**

- Suppliers are requested to issue all invoices on a timely basis – at the latest within 15 days after the month in which the associated goods or services were performed or in which such fees, costs, expenses or charges were incurred.
- Kindly submit all invoices within **5 business days** from the invoice date. Invoices received over 30 days after the invoice date – or where the invoice due date has already passed - will be disputed by Avnade, with a request to reissue with a new invoice date or to establish an amending invoice.
- A reconciliation exercise should be completed by the supplier on at least an annual basis to ensure there are no outstanding invoices unpaid.
- Failure to issue or submit invoices on a timely basis may result in payments being delayed. **In no event shall Avnade be liable for any fees, costs, expenses or other charges where invoices are not submitted accurately or in a timely manner.**

- Please send a soft copy of the invoice (s) directly to [avanade.france.inv@accenture.com](mailto:avanade.france.inv@accenture.com) in a non-manipulative format e.g. PDF, TIF.
- Please submit 1 PDF document per invoice. Ensure that all supporting information related to a particular invoice is in 1 PDF file only, with the invoice being the 1st page and any other relevant supporting information on the subsequent pages.
- Max 1MB per attachment, Max 20 attachments per mail and Max 10MB per email (including attachments). Do **not** encrypt or digitally sign the emails.
- You will receive a notification on the success or failure of the submission of the invoice which will indicate our invoice tracking number (URN#). This URN# should be used as a reference in all communications regarding your invoice.
- Please check with customer support team (see section 2.6) before re-submitting any invoices that were submitted earlier. **Invoices sent to personal mailboxes or directly to Avanade employees will be deemed as not received.**
- Please do **not** submit original invoices to the Avanade employee who requested the goods or services. If you need to send a copy of the invoice to your contact at their request, please clearly indicate on the invoice that it is a copy and has already been submitted to Payables. This will help to prevent duplication in our systems and prevent payment delays.
- If for any reason you are not able to email the invoices, invoices can be posted / delivered to the above mentioned 'Bill To' Address – **please do not send directly to your Avanade contact.**
