2.4 Special Instructions for Purchase Order (PO) Invoices

- Avanade require a PO for purchases of **US \$1,000** and over. Please request a PO# from the requestor and clearly quote this on the invoice to ensure you comply with this policy (some local exemptions may apply; the requestor will advise you if this is the case)
- If you are providing goods and services to Avnade under more than one PO, you must invoice for each PO separately. Only one PO can be referenced per invoice.
- The details and item-wise breakup on the invoice must match exactly with the description noted on the PO. (For example, the 'Bill To' address must match exactly that outlined in the PO). Always reference the appropriate PO line item number for each line item on the invoice.
- Please note that a Purchase Requisition Number ("PRXXXX") will **not** be accepted, please quote only a valid PO number (e.g. "**60xxxxxxxx**").
- Invoice value /quantity should **not** exceed the PO value/quantity. In case of any issues please contact your Avnade requestor to update the PO as required.
- Avnade's official Purchase Orders will be sent via email notifications from Avnade's procurement tool, Ariba Buyer, bearing the sender's address: Accenture.Purc.Order@accenture.com. Please ensure you are able to receive emails from this address accordingly.

2.5 Submitting Invoices to Avnade

NOTE: The below instructions are intended for vendors who submit invoices manually, not using a specific tool (eg IQN, Ariba Network, Fieldglass, SAP RE-FX etc).

- Kindly submit all invoices within **5 business days** from the invoice date.
- A reconciliation exercise should be completed by the supplier on at least an annual basis to ensure there are no outstanding invoices unpaid.

- Failure to issue or submit invoices on a timely basis may result in payments being delayed. **In no event shall Avanade be liable for any fees, costs, expenses or other charges where invoices are not submitted accurately or in a timely manner.**
- All invoices should be sent as a soft copy (in a non-manipulative format, e.g. PDF, TIF, JPEG) **directly to the requestor's email.**
- Please submit 1 PDF document per invoice. Ensure that all supporting information related to a particular invoice is in 1 PDF file only, with the invoice being the 1st page and any other relevant supporting information on the subsequent pages.
- Max 1MB per attachment, Max 10 attachments per mail and Max 10MB per email (including attachments). Do **not** encrypt, password protect or digitally sign the emails.
- You will receive a notification on successful submission / rejection of the invoice which will indicate our invoice tracking number (URN#). This URN# should be used as a reference in all communications regarding your invoice.
- Please check with customer support team (see section 2.6) before re-submitting any invoices that were submitted earlier.
- Please do **not** submit original invoices to the Avanade employee who requested the goods or services. If you need to send a copy of the invoice to your contact at their request, please clearly indicate on the invoice that it is a copy and has already been submitted to Payables. This will help to prevent duplication in our systems and prevent payment delays.
