

# Reinvent what your business could be

## Accenture at Sibos 2023

September 18 – 21

Metro Toronto Convention Centre

Join Accenture at Sibos to explore how financial services organizations can harness new technology, redefine their approach, and unlock untapped potential.

Find out below details on our **main stage speaker sessions**, our **networking event** happy hour, and how to meet our **subject matter experts**.

Be sure to **visit our stand**, located at A30 in the exhibitor hall, to experience immersive technology that can help bring human connection back to financial services.

**See you there!**

## Accenture's agenda

### Day 1: Monday, September 18

---

**12:30 – 1:15 PM EDT**

#### **Meet the Experts: How gen AI is rewiring the banking industry**

---

**Location**

Conference stage 2,  
level 700, MTCC

Learn about the profound impact generative AI will have on the banking industry. This session will include an exclusive view of new Accenture research, case studies, live examples, a fireside chat with esteemed guests and interactive audience Q&A.

**Michael Abbott**  
Accenture's Global  
Banking Lead

**Keri Smith**  
Accenture's Global  
Banking Gen AI Lead

---

**2:00 – 2:45 PM EDT**

#### **Ransomware on the rise**

---

**Location**

Conference stage 2,  
level 700, MTCC

In this panel session, Robert Boyce and other industry experts will discuss how ransomware has become one of the biggest cyber threats facing financial service providers.

**Robert Boyce**  
Accenture's Global  
Cyber Resilience Lead

## Accenture's agenda

### Day 2: Tuesday, September 19

---

**12:15 – 1:00 PM EDT**

#### **Meet the Experts: AWS, Accenture, and Nvidia discuss Generative AI and the future of financial services**

---

**Location**

Conference stage 3,  
level 700, MTCC

Join a conversation with industry leaders from Amazon Web Services (AWS), Accenture, and NVIDIA as they discuss how generative AI will transform financial services, including the risks and opportunities and practical approaches to exploring its application.

**Keri Smith**

Accenture's Global  
Banking Gen AI Lead

---

**5:00 – 6:00 PM EDT**

#### **Accenture networking event happy hour**

---

**Location**

Accenture's stand  
A30, level 800 – hall  
D, MTCC

Let's shake off the conference buzz and take some time to connect. Please join us for some refreshing beverages and networking

## Accenture's agenda

### Day 3: Wednesday, September 20

---

#### 1:00 – 2:00 PM EDT **How financial institutions can use AI to gain actionable insights from ISO 20022 data**

---

##### **Location**

Meeting room 603,  
level 600, MTCC

Join thought leaders from AWS, Accenture, JPMorgan Chase, and NatWest to discuss how the adoption of ISO 20022 will provide financial institutions with access to richer data that can be harnessed for analysis and insights.

**Sulabh Agarwal**  
Accenture's Global  
Payments Lead

#### 2:15 – 2:45 PM EDT **The cyber-resilient CEO**

---

##### **Location**

Exhibitor stage 2,  
level 800 – hall D,  
MTCC

Join us for this discussion as we share the results of Accenture's new research, illustrating benchmarks for five distinct actions that CEOs could pursue to enable them to drive cyber resilience as they prepare their organizations for the future.

**Michael Abbott**  
Accenture's Global  
Banking Lead

**Valerie Abend**  
Accenture's Global  
Cyber Strategy Lead

### Day 4: Thursday, September 21

---

#### 2:00 – 3:00 PM EDT **Responsible AI**

---

##### **Location**

Conference stage 5,  
level 700, MTCC

In this debate style session, Natalie Heisler will discuss her view on how financial institutions can innovate responsibly with AI.

**Natalie Heisler**  
Accenture's North  
America Responsible AI  
Lead
